Dear Mr. Weilbacher,

On behalf of the government and people of the Republic of China (Taiwan), I would like to express my heartfelt appreciation to the members of the Association of Pacific Island Legislatures (APIL) for adopting APIL Resolution No. 29-GA-01, CD-1 at its 29th General Assembly, supporting Taiwan's participation in the United Nations Framework Convention on Climate Change and International Civil Aviation Organization.

Taiwan, as a responsible member of the global village, is willing and able to participate in international organizations that aim to shape a better world and brighter future for the generations to come. Please rest assured that Taiwan will continue to seek cooperation with Pacific Island countries in hopes of spurring regional development. Once again, I would like to thank the Officers and Members of APIL for their generous support and kind encouragement.

Sincerely yours,
