CONSULATE GENERAL OF THE PHILIPPINES

AGANA, GUAM

*Ltr-20-2011*

28 January 2011

Dear Mr. Kesolei,

The Philippine Consulate General wishes to acknowledge receipt of Mr. Walden KC Weilbacher's letter dated 25 January 2011, transmitting a copy of Resolution No. 51-BOD-12 of the Association of Pacific Island Legislature (APIL), which encourages its members to consider participating in trade missions to the Philippines to explore market opportunities and possible business partnerships.

The Consulate General welcomes APIL's initiative to foster greater economic cooperation between the Philippines and APIL members.

To assist you in this endeavor, we will transmit copies of APIL's resolution to our Department of Trade and Industry in the Philippines and to Philippine Embassies and Consulates General that are located in the different APIL member-states. We are likewise enclosing a directory of these offices, so your members could coordinate with the Philippine Embassy or Consulate which has jurisdiction with the country concerned.

In the event that you are able to finalize plans of sending trade missions to the Philippines, we will appreciate receiving information regarding your schedule/itinerary.

We look forward to working more closely with you and your organization for the mutual interest and benefit of our communities and the entire Pacific region. Please do not hesitate to contact us or any of the Embassies or Consulates General in the attached directory should you need additional information about doing business in the Philippines

Sincerely,

**BAYANI S. MERCADO**
